Promote Your Cookbook Sales

www.cookbooks4sale.com

Our web site, www.cookbooks4sale.com, allows you to advertise your cookbook on the Internet **FREE for 1 year!** Direct family and friends to your listing via e-mail or social networking sites, like Facebook. The more people know about your cookbook, the more you'll sell. This exclusive offer from Morris Press Cookbooks is only available to our customers.

When you visit www.cookbooks4sale.com, you'll also find many other outstanding features, such as a searchable database of over 21,000 recipes that includes many holiday and seasonal recipes.

Instructions

1. Create your web listing after you receive your cookbooks. You will have 60 days after your books are shipped to post your listing online.
2. To create your listing, visit www.cookbooks4sale.com and click on the "Add / Edit Your Cookbook" button. You have complete control over your listing information, and it can be edited at any time.
3. Your cookbook will be listed under your organization name and state. Choose 2 additional categories, giving visitors 4 ways to find your book.
4. Enter the name, address, phone, and e-mail of your contact person. This way, orders and payments come directly to you, and you keep all profit.
5. Complete the rest of the required information. Your listing will include:
 - Cookbook cover
 - Organization name
 - Special features of your cookbook
 - Cost and purchasing information
 - Number of recipes and binding style
 - Cookbook description
 - Featured recipe from your cookbook
 - How profit will be used (optional)
